Psychoneuroimmunology is the study of laughter.

Laughter is great for blood pressure, it will make you look younger, improve your stamina, helps you to sleep, and will also strengthen the immune system. Having a sense of humor can add eight years to life. It helps in creativity, productivity and motivation. Studies show that 100 laughs equal 10 miles for the heart muscles. Laughter is a 10 times stronger pain killer than Morphine.

We are to be filled with Joy and the expression of Joy is laughter. God is a good God and a loving Father and until we believe He is for us personally and loves us we will not find true joy or peace. As Christian we are the flesh on earth today carrying the presence of God. We need to learn how to get in to Gods' presence and leak Him out to others. We should be oozing with JOY! We are the answer to today's problems. Someone is looking for you, because you have the answer to their problems.

In Mat 9:17 Jesus said to put NEW WINE into NEW WINE SKINS. This is what God showed me. Our born again spirit is the new wine skins we holds the new wine (Holy Spirit) but the Holy Spirit put this scripture together with another scripture. John 2 Jesus turning water into wine and was the FIRST miracle He did and it was at a WEDDING and He SHOWED HIS GLORY. I ask God why He did that as the first miracle. He said "The FIRST thing my Bride needs is for the rivers of living water coming out of them to be turned to wine. That He saved the best WINE until NOW So that His bride could show His GLORY in these end times" He also showed me that the water at the wedding was water in RELIGIOUS containers (tradition and religion) and He turned it into wine, new wine (FREEDOM from the law into the freedom of HOLY SPIRIT, how He wants His church to live)

He put that with Acts 2 These are not drunk AS YOU suppose,

He wants us filled with the Holy Spirit so that we are drunk. Remember the drunk in the world is a COPY of the drunk of the Holy Spirit.

Lets take a look at what God has to say about joy.

The Kingdom of God is Righteousness, peace and JOY. Rom 14:17 Joy is 1/3 of the Kingdom of God.

Joy is the solution to our mourning about our problems, the state of our country and our fears.

But we have a solution to our problem Jesus already took care of this for us.

Is 53:4 Surely he hath borne our grief's, and carried our sorrows;

Sorrow is something Jesus took on the cross and bore it for us. We no longer should allow it in our lives.

THE CHURCH SHOULD BE THE MOST JOYFUL PLACE THERE IS AND CHRISTIANS SHOULD BE THE MOST JOYFUL PEOPLE

When ever the Bible talks about sorrow it always relates it to joy. Joy is to replace sorrow.

Sorrow in the original language means, worry, pain, anger, and grief. These things will break you and kill you.
