

## Jesus's Love For His Bride! YOU!!

There are so many things I want to share with you today. I would love to share about the power of Praise and Worship, or the goodness of God, the supernatural or the power of communion! But as I prayed and asked God what He wanted me to share with you He said, "The Love He has for His Bride".

My husband and I met over 25 years ago. We knew each other less than 6 weeks and ran away to Las Vegas and got married. We both were praying for a spouse and we had a list of everything we wanted our new spouse to have. We prayed when we met and trusted in the answer we heard from God that this was the "one." Six months later we traveled across the USA on a bicycle built for 2, 4,600 miles in 81 days, sharing Jesus. We LIVED and had adventures, fellowship and daily talks, we laughed and share life together. That is what Jesus wants with YOU, His bride. He wants you to begin to expect to have daily encounters with Him. He wants to laugh and dance and play with you. It is time for you to know Jesus as your bridegroom!

Let me share with you an awesome vision I had of Jesus my Bridegroom. I was in the prayer room, worshipping the Lord. A sweet love song came on the worship CD. I was just praising the Lord, when all of a sudden I saw and FELT Jesus dancing with me. He swirled me and dipped me and spun me into Himself. We glided across the floor. He stared at me with great love in His eyes. He stared at me with admiration and something else I saw was in His eyes, I will never forget. The look in His eyes surprised me. IT WAS

PLAYFULNESS! Jesus and I were enjoying each other's company. WOW, this was awesome! Not only did His love for me show in His eyes, but playfulness. I have never experienced Jesus as my Bridegroom until that day, and I look forward to more experiences with Him. Joy is an important part of life in heaven and life on earth. I had never experienced Jesus as my Bridegroom before this. So I prayed to experience and understand more. Just a few days ago He gave me 2 dreams and a word. He said, "Romance is full of Joy" than as I thought on this and asked the Holy Spirit to direct me in understanding. He said, "I am romancing My Bride." Than I had a 2nd dream. In it Jesus was teaching me to dance. I tried to follow but I never could guess the way He would step next. So I put my feet on His but they kept slipping off. So I put my feet aside on His and away we danced (He was showing me that it is a partnership). The next scene: He looked in a mirror and what reflected back to Him was ME! His face wrinkled up and eyes sparkled as He laughed at my surprise. I felt a jiggle in my belly as I giggled with Him. Jesus wants to have a relationship with you, His Bride—not religion, not a set of rules, or have-to's but a daily experience with HIM!

Father in Jesus name I ask that you make Yourself real in a daily relationship with my friends and family, in Jesus name.

### Prophecy to the Bride

**As the waves of My love and glory come on you, My bride, I leave you signs of My love for you: gold and precious gems, a sign of my covenant marriage to you. So take off the engagement ring of the world system and put on My engagement ring. Put Me in charge. I am your caretaker, I am your husband, your provider. Allow Me to shower you with My love, allow Me to prove My love to you. I am a capable husband. I have given you**

**all you need for life and Godliness. Prepare yourself, for I am coming soon. Put on love, holiness and purity, for I am coming soon for you, My bride. Look not to the things happening in the world, for they cause fear, selfishness and hopelessness. But look to Me, your Spouse. It is My job to care for you. You are already pure, holy and without spot, My lovely bride, so go from glory to glory and victory to victory. My bride will be victorious and prosperous in these last days, for the wedding guests will bring their presents to you, they will transfer their wealth over to you in these last days just like the Egyptians turned over their wealth to My children, for I will give you favor. So fear not, you just be about Your Father's business and I will take care of you, I promise!**
